

## Major Bantam AAA Player Selection Process 2017-2018 Season

### **SPRING ID CAMPS**

- 1) Teams are permitted to conduct a spring identification camp following the Atlantic Championships.
- 2) Spring identification camps must be completed by May 31st.
- 3) Only players who reside within the team's zone are permitted to attend that team's spring identification camp.
- 4) All camps must be approved in advance by Hockey PEI.

### **TEAM TRYOUTS**

- 5) Players are required to attend tryouts in their designated zone as per Hockey PEI regulations.
- 6) Only players who reside within a team's designated zone may attend that team's tryouts/training camp. Hockey PEI Regulation 25 Residential Qualifications
- 7) Teams are permitted to hold tryouts/training camp commencing no earlier than September 1, 2017.
- 8) All teams will be required to submit a master list of all players that attend any of the teams tryouts/training camp. Hockey PEI will provide a form that must be utilized.
- 9) The annual Bantam AAA jamboree will be held September 22-24, 2017. Teams may use any players that attended the team's tryouts/training camps, and provided they are part of the team's master list. (Max 17 skaters and 2 goalies per game)
- 10) All teams are required to submit a master list to the league coordinator the day prior to the jamboree. Such lists shall include **all** players that attended the team's tryouts/training camps. Such list will be made available to all teams prior to the start of the jamboree.
- 11) Roster Submission #1 – On September 26, 2017 by 5:00 pm all teams must submit their roster (protected list) to the league coordinator with a minimum of 16 to a maximum of 19. If a team submits 19 players, 2 must be goalies. Any player that is part of a teams protected list must remain part of the team's final roster and cannot be released until after the start of the regular season.

- 12) On September 28, 2017 the league coordinator will circulate the protected lists to all teams. Teams may then invite any player not protected by their zone team to attend phase 2 of the tryout process. Such players must be part of a team's master list and have attended tryouts in their home zone.
- 13) Roster Submission #2 - On or before October 10, 2017 all teams must submit their **FINAL** official roster to the league coordinator with a minimum of 18 to a maximum of 19. If a team submits 19 players, 2 must be goalies. If a team should not submit a full roster of 19, they may add a player(s) at a later date from within their zone only.

## **OTHER**

- 14) Teams are not permitted to recruit players from outside their zone prior to September 28, 2017. The act of contacting a player prior to the players release and final approval of the league coordinator will be considered tampering as per Hockey Canada regulations
- 15) Teams are limited to a maximum of 2 players from outside their zone.
- 16) Pee Wee aged players seeking "under age" player status are excluded from this policy and may not be carded to another Major Bantam team outside his designated zone.
- 17) All transfers will be for one year only. If a player should transfer under this policy, said player will return to his home association/zone at the conclusion of the season.
- 18) Affiliation – If a player shall be transferred for the year. They become a member of that new zone team and would only be permitted to affiliate to a higher category team inside that zone, excluding Major Midget. Such affiliation request would be approved by Hockey PEI.
- 19) It is the expectation of Hockey PEI that once a player is signed, that player will be with the team for the balance of the year, and only under exceptional circumstances would a player be released after being signed. If a player should be released from a team, such team must replace that player from within their designated zone to maintain the minimum of 18 players per team if applicable.
