Re: Provincial Championship Tiering – "A" Male

Please find enclosed on the next page the layout of the "A" Male leagues as it pertains to Tiering for the second half of the season. We ask that you distribute this to the applicable teams.

For the second half of the season, teams will not cross over to the other division. As an example, Bantam A East (Tier 1), will only play teams in the East in the Tier 1 category. They do not cross over to the West division for league play. The number of games played will be determined based on the number of teams in each division. This is the format that has followed each year.

Please note that standings to determine eligible teams for the Provincial Championships are determined based on the second half of the season after teams enter a new division. Points from the first half of the season do not carry over to the second half.

Regards,

Al Maclsaac
