Re: Update to Affiliation Regulation

Please be advised that the Hockey PEI Board of Directors passed a motion to modify the affiliation rules for novice players. This request was brought forward by minor council. Regulation 5.07 of the constitution has been modified to:

5.07 IP and Novice teams are not permitted to affiliate players to Atom or above. Excluding players that will be permitted to affiliate from Novice "A" to Atom "A" teams.

Essentially, this will allow Atom "A" teams (male and female) to add affiliate players from Novice "A" teams where required. All the rules of affiliation still apply.

The modification to the regulation provides more freedom and assistance to Atom "A" teams when necessary. Initiation players still cannot affiliate to Novice teams.

This change takes effect immediately.
