Re: New Membership Category

Recently the board approved a "New" form of membership for Hockey PEI, called the Associate Member. Below is the wording in our policy.

Associate Membership - \$20.00

This membership is for non-registered members that may wish to partake in development programs hosted by associations/zones. This may include Pond Hockey program, development sessions, out of branch players/officials etc. This membership includes Hockey Canada insurance coverage. Such members are not permitted to be a member of an association team or league.

This type of membership was created to address non-members of Hockey PEI that may wish to partake in programs outside of league or tournament play. This could be for development camps/clinics, pond hockey etc. This will also apply to players that play out of the province and upon their return home to visit wish to skate with a team during practice. They must be registered with the branch as an associate member.

Attached is the applicable form that must be completed.

If you have any questions, please feel free to contact the Hockey PEI office.
