Re: Dressing Room Policy

We ask associations to ensure that your member teams are familiar with the Hockey Canada policy surrounding dressing rooms that Hockey PEI has adopted and follows. A copy of that policy can be found on our website at: http://site948.goalline.ca/files/dressing_room_policy.pdf

In addition, we ask that associations and teams review their internal process for offering separate dressing rooms for players that may be of the opposite gender. We expect that all arenas/rinks will provide suitable dressing room space and is also easily accessible for such players to join their team prior to and after their games.

If any associations have questions or require additional information regarding this matter, please contact us at your convenience. We thank you for reviewing your internal policy regarding dressing rooms.
