Re: Female League Structure - 2016-17 Season

This Memo serves as an update to proposed zoning changes for Atom and Pee Wee female leagues for the 2016-17 season.

Through the work of the Female Steering Committee and the associations effort, Minor Council has endorsed the proposed pilot project for the upcoming season that will see Atom and Pee Wee "A" and "AAA" leagues in female hockey. The following outlines the designated zones for Female "AAA" as part of the Pilot Project.

ATOM "AAA"	
Zone 1	Tignish, Alberton, O'Leary, Tyne Valley, Evangeline and Summerside
Zone 2	Bedeque, South Side, North River, Kensington, and North Star
Zone 3	Charlottetown, Sherwood, Pownal, Souris, Georgetown, Morell, Montague, Belfast and Northumberland

PEE WEE "AAA"	
Zone 1	Tignish, Alberton, O'Leary, Tyne Valley, Evangeline
Zone 2	Bedeque, South Side, North River, Kensington, North Star and Summerside
Zone 3	Charlottetown, Sherwood, Pownal, Souris, Georgetown, Morell, Montague, Belfast and Northumberland

Following the 2016-17 season, Minor Council and the Female Steering Committee will review this pilot project. Next steps will include the work of the Female Steering Committee along with the associations to identify teams for the Atom and Pee Wee "A" leagues for this season.

We ask that minor hockey associations communicate this update to their members. Many thanks to the Female Steering Committee and the associations for their work regarding this matter. Any questions, please feel free to contact us at your convenience.
