

COACH CERTIFICATION REQUIREMENTS:

The table below outlines the required minimum coaching certification for all minor hockey coaches.

** Please note both Coach 1 – Intro to Coach & Coach 2 Level contain an on-line component that must be completed prior to signing up for and attending the classroom clinic.

Although these are minimum requirements and some categories may not have a certification requirement, we encourage all volunteer coaches to obtain certification.

DIVISION/CATEGORY	HEAD COACH	ASSISTANT COACH
Initiation Program	Coach 1 - Intro Coach	No coach clinic required
Novice A – Novice AA	Coach 1 - Intro Coach	No coach clinic required
