Re: 2018 Global Game

Hockey PEI as a member of Hockey Canada has been provided a unique opportunity to send two Bantam 'A' aged female players to attend the 2019 IIHF Global Game. The International Ice Hockey Federation (IIHF) is hosting the 2019 Global Girls Game February 16, 2019. Started in 2015, the 2019 edition of the Global Game will include 40 countries taking part around the world.

The weekend long game between Team Blue and Team White players will begin on February 15th and make its way west as teams will battle to an aggregate score until the last puck drop in Calgary on February 16th.

The host for the Canadian game is Hockey Alberta and they have invited the member branches of Hockey Canada to participate in this year's event. Hockey PEI has been provided two roster spots for the event, which are to be determined by Hockey Alberta.

Last season Hockey PEI was represented at the Global Game by Emma Dyer (Summerside) and Rachel Richards (Cornwall).

Enclosed you will find an information package regarding the event which also outlines the application process. Each applicant must also submit an essay with their application.

Deadline to apply is January 22, 2019.

If you have any questions, please feel free to contact the Hockey PEI office.

Jen MacDonald
